Purpose

Interim Funding allows nonprofit organizations to secure up to \$500 matching funds in each of the professional development and technical assistance categories for certain activities throughout the year.

Eligible

Consultant's responsibility is to offer advice and suggestions toward solving an organization's problems and, if applicable, to help train or advise staff members to carry out the suggestions. A board or staff member should be assigned to work with the consultant to implement recommendations.

Consultant may be the organization's choice (provided that person is, in the judgment of the Council, a qualified professional) or, if the organization requests, Council staff will recommend a number of consultants from which the organization may choose. Several South Dakota arts administrators have been trained to provide nonprofit management and artistic advice and consultation through South Dakotans for the Arts (SoDA) Technical Assistance Group (TAG). For more information about TAG, write SoDA, PO Box 414, Lead, SD 57754 or call (605) 722-1467.

Artist Documentation

Artist & Organization Guidelines

Artists and the organizations that involve artists in their applications must submit artistic documentation. Follow these guidelines and remember to include an appropriately sized, self-addressed mailer with correct postage for return of documentation.

General Information

Artistic documentation submitted for review is an important component of your application. Keep in mind that review panels may not be familiar with the artist's work and base their decisions only on the material included in the application packet. Be sure to select material which best portrays artistic strengths.

- Panelists generally prefer to review work completed no more than two years prior to the application deadline. Sample work should be consistent with your application request.
- A self-addressed, stamped mailer must be submitted if you would like your artistic documentation returned. If you wish to pick up these supporting materials at the State Arts Council office, you must do so within 30 days after the grant announcements.
- If you have any questions about the acceptability of support materials, call the Council office.

Dance

Dance includes choreography and performances in ballet, modern, jazz, tap and traditional dance.

Applicants must submit a VHS video cassette or DVD, 10-15 minutes in length, clearly labeled with the names of the performers, title and choreographer, duration of each work, date and location of taping. Tapes should be cued to the section you want reviewed.

Up to five pages of other documentation including but not limited to printed reviews, newspaper feature stories, letters of support, etc. may also be included.

Design Arts

Design Arts include architecture, landscape architecture, product design, graphic design, urban design, historic preservation and community planning.

Applicants must submit slides or Windows XP compatible digital slides on CD-ROM following labeling procedures under the visual arts documentation section. Slide documentation may consist of drawings or proposals not yet realized as well as work that has been produced. Provide information describing the project(s) and the applicant's artistic role.

Up to five pages of other documentation including but not limited to printed reviews, newspaper feature stories, letters of support, etc. may also be included.

Traditional Arts

Traditional arts are artistic practices which have emerged and are shared within various groups or communities: ethnic, occupational, religious, family and regional. Expressing aesthetics of a group or community, traditional arts include language, literature, visual art, crafts, architecture, music, pageantry, dance, drama and ritual. Traditional arts are mainly learned orally, by imitation, or in performance, and are generally maintained without formal instruction or outside institutional direction. Traditional arts are perpetuated informally within the community or group.

Applicants should refer to requirements in dance, music, visual arts, or other disciplines as appropriate for applicable documentation of a particular traditional art.

Up to five pages of other documentation including but not limited to printed reviews, newspaper feature stories, letters of support, etc. may also be included.

Literature

Literature includes poetry, fiction and creative non-fiction, plays and screenplays.

Submit all material on 8 1/2" x 11" paper. Number the pages of your work samples in the upper right-hand corner and paper clip each copy. Do not reduce type size or crowd the pages of your work samples with so much material that it is difficult to read or appears to violate the spirit of the length requirement.

Applicants must submit clearly reproduced and properly collated manuscript material. "Typescript" means material produced by a typewriter or a "letter quality" printer. Clear photocopies of this typescript material are acceptable.

A cover page should list the legal name and address of the applicant and the title(s) and date(s) of the work(s) submitted. Titles of poems, stories, or novels should appear at the top of every page.

Poetry

Submit one copy of representative poems, or one narrative poem (or section of narrative poem) not to exceed 15 pages in length.

Prose

Submit one copy of a minimum of 10 to a maximum of 30 pages (5,000 to 7,500 words) of short fiction, short stories, plays or screenplays, creative non-fiction or a novel excerpt in typescript, double-spaced. Applicants submitting novel excerpts may include one additional page at the beginning of their submissions in which they set the scene or offer a plot synopsis.

Up to five pages of other documentation including but not limited to printed reviews, newspaper feature stories, letters of support, etc. may also be included.

Media Arts

Media Arts include film, video, audio, and computer arts, but not photography and holography, which are referred to the Visual Arts Panel.

Applicants may submit no more than two complete works on videotape (VHS only), CD, DVD, or audio cassette. Tapes should be cued to the section you want reviewed. An outline and description of a longer work may be included. Sample materials should include title, length, date made, technique, original format, experimental or documentary, and specific role of applicant in creating submitted work. Please indicate if your video has sound.

Because panelists must review documentation from a large number of applicants in a limited amount of time, please limit your cued sample sections to no more than 15 minutes.

Up to five pages of other documentation including but not limited to printed reviews, newspaper feature stories, letters of support, etc. may also be included.

Music

The music category includes performance and composition in classical, traditional, choral, jazz, contemporary, experimental, popular music, and opera.

Performance

Applicants must submit works on videotape (VHS only), CD, DVD, or audio cassette of representative works, 10-15 minutes in length, clearly labeled with name of performers, instruments (voice or otherwise), name of works and composers, duration of each work, and date of taping and/or composition. Tapes must be cued to the section you want reviewed. Lengthy periods of applause or narration should be omitted.

Composition

In addition to an audio or video tape (described above), composers may submit up to 3 different scores, up to 20 pages each. Scores should be titled and orchestrated, and include date of composition. When possible, provide scores to accompany submitted audio or video samples. For electronic compositions for which there is no score, send a description of the equipment and techniques used.

Up to five pages of other documentation including but not limited to printed reviews, newspaper feature stories, letters of support, etc. may also be included.

Theater

Theater includes production and performances in classical and experimental theater, mime, puppetry, storytelling, musical theater and theater for young audiences.

Applicants must submit a VHS video cassette or DVD, 10-15 minutes in length, clearly labeled with the name of the performers, title and creator of the work, duration of each work and date of taping, and the applicant's artistic role. Tapes should be cued to the section you want reviewed.

Up to five pages of other documentation including but not limited to printed reviews, newspaper feature stories, letters of support, etc. may also be included.

Visual Arts

Visual arts include drawing, painting, printmaking, sculpture, photography, holography, crafts and mixed-media. Applicants must submit 10 slides in 9" x 12" plastic sheets, each slide in its own pocket. Number and label slides on the front of each, indicating which is the top of the artwork shown in the slide, include the title you have listed on the application form and your name. Indicate the slide number to correspond with the titles you have listed on the application form. On the application form include the slide number, title, medium, size or scale, materials and date of completion. Do not submit glass mounted slides. Correct labeling ensures that your slides will be properly projected. Slides are preferred, but high quality, Windows XP compatible digital slides may be submitted.

NOTE: Your slides should be of the highest quality possible. Professional photographs of your work are highly recommended. Experience indicates that it may not be to your advantage to submit slides portraying a wide diversity of styles. Be sure your slides are properly labeled and legible.

Up to five pages of other documentation including but not limited to printed reviews, newspaper feature stories, letters of support, etc. may also be included.

Follow the diagram below to label slides.
